*'I keep you safe / You keep me safe'*

Being responsible & staying as safe as possible is important. The information given below is what I'm doing to ensure your safety & what I hope you will do as a valued client of mine. The information I've given is in accordance with guidelines from trusted sources – the NHS, government, and my professional governing body, & my insurance company.

As guidelines change, I will review & amend my procedures.

**WHAT I AM DOING:**

- I will wear a visor
- I will wash my hands, forearms & elbows before & after treatments
- I will ventilate & clean the therapy room & all common areas before & after your appointment
- I will wash all laundry used at your appointment
- I will wear clean clothes for every client
- For the time being I will not be offering face massage
- I will ask you to enter via the side gate and not to come through the house
- I will not see clients if I have any symptoms
- If I develop symptoms I will get tested & self-isolate as required
- I will inform you if I develop symptoms & have seen you within the past 14 days

## WHAT I ASK OF YOU:

- To complete & return to me any initial or precautionary Corona virus consultation forms that I email you prior to an appointment
- To wear a face covering for your treatment
- To ensure good standards of personal hygiene (if possible please be showered & wearing fresh clothing to your appointment)
- To only bring essential items with you to an appointment e.g. keys, phone
- To bring your own drinking water
- Not to touch door handles, light switches etc, but rather allow me to do so
- Use the hand sanitiser provided on arrival and after the treatment
- Use the hand sanitizer provided after you have removed any items of clothing required for treatment & prior to resting on the treatment table
- To pay by bank transfer
- To inform me if you develop symptoms after booking & prior to attending an appointment
- To inform me if you develop symptoms within 14 days after your appointment & please inform me of results of testing you may have
- To have been respecting social distancing guidelines where possible
- To use the toilet before arriving (should you need to go whilst at your treatment I can offer you the use of a toilet in my house). There will be washing facilities and hand sanitiser in the toilet and I will ask you to wipe all surfaces down once finished.

**Thank you for taking the time to read this & for your cooperation. Whilst perhaps all this may seem like a bit of an inconvenience, due to the infectious nature of the virus things need to operate a little differently.**

**So, until circumstances change let's all do the best we can to protect each other.**

**I've read & understood the Covid-19 information detailed above  
I understand the following:**

1. People with Covid-19 can be asymptomatic & still be contagious.
2. There is no way to completely protect ourselves from the virus.
3. The therapist is taking all reasonable measures & precaution to ensure the safety of all.
4. The therapist can't be held liable for unintentional exposure or harm due to Covid-19.
5. The information I've given is true.
